ICE CALLED FOR UNEMPLOYED

SMALL RIOT IS RESULT OF ARREST AT FAIR GROUND

Action by the Officials Arouses the Ire of the Executive of League.

TRouble ALSO MADE REGARDING BLANKETS

The Committee Decides They Should Be Cleaned and Fumigated.

Following the decision of the safety and health committee yesterday afternoon to discontinue the kitchen at the exhibition grounds, there was a small riot this morning. It resulted from the stealing of a loaf of bread by one of the men. When apprehended he assaulted the cook and the officials of the camp telephoned for the police and had the offender arrested.

This action aroused the executive of the League who hastily called an indignation meeting and advised the men not to go to work until the offender had been released. This the officials refused to do and since that moment the unemployed league has been receding mass of indignation. The story as related at police headquarters in connection with the disturbance is as follows:

Frank Cook, one of the unemployed, being locked after by at the exhibition grounds, took a loaf of bread from the cook and then assaulted the latter, he was at once taken charge of by one of the policemen and brought to the police station and charged with assault. As a result of this the executive of the unemployed held a meeting this morning and decided not to go to work. Only about 75 of the 250 went to work. While the rest marched down town to the I.W.O. headquarters on Fraser avenue, where speeches are being made by the men. The object of the demonstration is to obtain the release of Frank Cook. Although it is not expected that there will be any further trouble, a small of police are kept in readiness in case there should be any disturbance.

Men Not Pleased.

The men are none too well pleased over the arrangements made in regard to their blankets. The committee decided that these would be taken care of by T. M. Turnbull who would have them cleaned and fumigated. The men who have been longest at the camp will be given a pair of these blankets when leaving the city and the construction camps. The members of the executive pleaded with the council committee yesterday afternoon that the blankets should be allowed to keep the blankets as many of them felt that they had already worked for them.

The committee took the view that the arrangements to break up the camp might not meet the situation fully and they were in favor of building the blankets the city would be up against the proposition of purchasing the blankets should another housing place be necessary.

Superintendent Dan Alton reported to the mayor this morning. He stated that his instructions from the committee yesterday were carried out, that the men were notified and that they had been told that they must all go to work and at the end of the three hours and 20 minutes work the paymaster would be present and give them each \$1.

Turn for the Worse.

No particular objection to this arrangement was notified until the arrest of Cook when the situation took a speedy turn for the worse and not more than one-third of the men obeyed the instructions. However the camp was cleared out and will be cleaned up and put into shape to turn over to the exhibition authorities in the condition in which it was received.

The action of the officials in charge was upheld by the mayor and several members of the council who were in attendance at the city council this morning. Alderman Clarke alone was opposed to the arrest and stated that only one man had been caught in a very different manner.

JUST AS THE CANADIAN COLONY IN LONDON HAD EXPECTED FROM BORDEN

London, Jan. 16.—The fact that the king's speech at opening of the Canadian parliament is silent on the naval bill has aroused no comment here beyond incidentally furnishing the moral to one Tory paper wretchedly urge the home government to pursue its own full naval programme. The Canadian colony here have for some time anticipated that the Borden cabinet would let the naval matter rest for the time being.

Deadly Deaths by Drowning and Disease are Reported from British Columbia Railway Camps

Deaths by drowning and all kinds of disease have taken place by the dozens, and for all he knew by the hundreds, in that part of British Columbia through which the C. N. R. and G. T. P. are being built, is the testimony of Nelson Perdue, who drove across through the dangerous Fraser canyon all the past summer and fall, and seldom if ever was any notice taken of them, nor any kind of an investigation by the British Columbia authorities held whatever.

Asked if he knew anything about the wreck which Angelo Pugliese, a laborer, had reported at the Immigration office in Winnipeg as having taken place on the Fraser river, and in which he stated that no less than 15 had lost their lives and he himself received injuries, Perdue told a Capital reporter in the general hospital this morning that he did not doubt for a minute, although no report was ever made by the B. C. provincial government.

Perdue personally knows of several cases where whole schoolbuses have been drowned and not a word ever said about it. One school with eight men on it ran into a rock in the canyon and the whole had went down. A minister had told him and others of another case where 13 men started

Points Out That Bonar Law Does Not Explain Difference With Asquith.

London, Jan. 16.—Considerable prominence is naturally given this morning to Bonar Law's pessimistic statement at Bristol that the formal conversation between the party leaders regarding Ulster had so far been without result. The Manchester Guardian, recognizing that Law was not at all the other hand was urging the people at the same moment at Houston not to get agitated because as far these conversations had yielded nothing, saying he did not despair of something approaching a common denomination being reached.

Swift Current a City

Dispatches From All Parts of the Union Say They Are Resuming Work.

VICTORY IS SCORED BY THE GOVERNMENT

Iron Hand of the Premier, General Louis Botha, Still in Evidence.

Capetown, Union of South Africa, Jan. 16.—Dispatches from all parts of the Union report that the strikers are returning to work and victory has been won by the government in the struggle with the federation of trades.

The iron hand of the premier, General Louis Botha, was still in evidence this morning at Johannesburg where 62 members of the Typographical union were arrested while meeting.

The charges against them was contravention of the provisions of martial law.

The men had just passed a resolution to resume work.

At the Salt River railroad workshops just outside Capetown, all the men have returned, their leaders having declared the strike ended.

HARRISON DID NOT SEND RESIGNATION SAYS MAYOR McNAMARA

When asked this morning if it is true that Commissioner Harrison had handed in his resignation, Mayor McNamara replied that this statement is incorrect. The fact is, he explained, "that I have asked Commissioner Harrison not to hand in his resignation, and he has complied with my request."

Commissioner Harrison, who has been absent from his office for two days, appeared in court this morning. He had no statement to make to the press, and took up his usual duties.

Alderman May, who is chairman of the special committee, stated this morning that nothing definite has been heard in regard to the recommendation to be made by this committee to council next Tuesday evening.

The meeting scheduled to be held at 8 o'clock yesterday did not materialize, and this gave way for the report this morning that it was called off at the request of Commissioner Harrison, who had informed the committee that he did not intend to continue in the service of the city. The matter is still undecided, the mayor not having stated the probable outcome of the present situation.

case is never paid any attention to, although every man is charged a monthly medical fee, even if he only works one day. Typhoid and other diseases are very prevalent in the construction camps, but there is little or nothing done to prevent or alleviate them. Perdue is not complaining for his own sake, as he drove across all summer and made good money, as there were only half a dozen men when they would allow to drive them through the Fraser canyon, but he says conditions were without precedent in the camps. He got on the train at Mile 42 and was on his way to Vancouver. Perdue said when he contracted pleurisy and was taken in

HOPE ABANDONED FOR RECOVERY OF SIR JAMES WHITNEY

New York, Jan. 16.—Fred Herreshoff, who carried Harold Hilton to the thirty-seventh green in the 1911 American golf championship tournament, plans to try for the British amateur championship in 1914. He and Mrs. Herreshoff will leave with Jerome O. Travers, recent American champion, on March 1.

HOPE ABANDONED FOR RECOVERY OF SIR JAMES WHITNEY

New York, Jan. 16.—Although reports from Sir James Whitney's sick room last night and this morning seem to indicate that the patient is slowly recovering, the British navy has also lost a number of other submarines within recent years. The "A-7" was wrecked in 1904, and the "A-13" was wrecked in 1906, with a death list of 15 men. The "C-5" in 1907 when four were drowned, the "C-11" in 1909 when 12 were drowned. The "A-7" in 1912 with the loss of 11 lives and the "H-2" in the "A-7" in 1913 when 16 were drowned.

The submarine was executing diving maneuvers with the rest of the flotilla stationed here on the coast of the "A-7" and "A-9" when the other boats rose to the surface the absence of the "A-7" was noticed. Signals were made to Plymouth and Devonport and these brought the depot ship Onyx and several salvage steamers to the scene at full speed.

The failure of the British submarine "A-7" with 17 men on board to rise to the surface after she had dived to the bottom of Plymouth sound, during maneuvers caused intense anxiety here today.

After the maneuvers were over, two sister submarines noticed that their companion vessel did not come up and immediately signalled for assistance to Plymouth and Devonport.

Salvage vessels hurried to the scene. Salvage vessels were seen to the surface in Cawsand Bay and grapplers were thrown out to bring the wrecked vessel to the surface although the bubble

STRATHCONAS AND VARSITY PLAY HOCKEY SOUTH SIDE RINK TONIGHT

WILL BE GREAT GAME TONIGHT
BETWEEN MOOSE JAW AND EDMONTON

Two Premier Basketball Teams of Western Canada Will Clash Tonight at 8 O'Clock—Visiting Team Has Not Been Beaten—Edmonton Will Have Strong Line-up—Preliminary Game Will Be Staged, Also Gymnastic Exhibition.

Tonight will see perhaps the fastest game of basketball ever staged in the city, when the touring Moose Jaw quintette hook up with the local senior team at the Y.M.C.A. A very elaborate program has been arranged by the physical department of the "Y." The first item on the program will be a basketball game between the Colts and the senior varsity team. Both these teams are in the senior city league and should furnish a game well worth seeing.

When this game has finished, an extensive gymnastic exhibition will be given, consisting of tumbling, bar and mat work, by the senior gym team. This part of the program will take about 15 minutes. After this comes the big game.

There is no doubt whatever but that the Moose Jaw team is an exceptionally fast bunch of basketball players. They gave the Calgary team a good thrashing last night, and two nights ago handed a defeat to the Letbridge team by a 45-25 score, so no doubt remains in the minds of the local fans as to the strength and playing ability of the visiting team.

The personnel of the Moose Jaw team is as follows: Art Swanson and Lou Duff, guards; Hartley and McIntyre, forwards; Galloway, centre. It is McIntyre who is manager of the team. Upon the completion of their tour, the Moose Jaw team hope to be able to claim the championship of Western Canada, and it will be the greatest endeavor of the local five to put a kink in their ambition tonight.

The Edmonton team will be as follows, and is the strongest aggregation of basketball players that has represented this city in many months. John Crozier, centre; Percy Hammond and Norman Clarke, guards; McKnight and Stevens, forwards; Art Elliott and Earle Dowe will be spares.

Tickets for this big program tonight may be secured at the Y.M.C.A. office or from members of the team. The program will commence at 8 o'clock.

WELSH OUTPOINTED MICKIE SHERIDAN IN 16 ROUND BOUT
Kananis City, Jan. 16.—Freddie Welsh, the Welsh lightweight, out-pointed Mickey Sheridan, of Chicago, here last night. Sheridan seemed bewildered by Welsh's cleverness. The only effective blow landed during the 16 rounds came in the fifth, when Welsh rocked the Chicago man with rights and lefts to the head.

Starting in Winter
Starting in cold weather can often be facilitated by cranking the motor over several times without turning on the ignition switch, but with the throat wide open. This will draw a good mixture into the cylinders and intake pipe and sometimes the motor will start on the spark after such cranking. If not, it should start promptly on being turned over. If after this treatment the motor fires a few times and then dies, look for a stoppage in the fuel pipe. Sometimes such a stoppage, allowing a slow flow of gasoline, will cause the motor to start at higher speeds, or to run irregularly as the power demand varies. Weak batteries or a faulty coil will also cause irregular running, and difficult starting as well.

WINNIPEG VICS SQUEEZE VICTORY FROM WINNIPEG

Winnipeg, Jan. 16.—Turning up with five new men from last year's Allen cup winners, the Winnipeg gave the Vics the game of their life in a senior hockey fixture here last night. The Vics managed to squeeze out a victory by the score of 5 to 3. Only some sensational work by Bud Baker in goal stopped the Winnipeg from getting the long end of the score as they outplayed their opponents nearly all the way but wild shooting and some sterling defence work prevented the champions from putting over a big surprise. The Vics won through their superiority in scoring goals, they missing few opportunities to notch a center. Ralph Baker at point, "Quinn" Hawk at left and Caldwell at centre were the pick of the winners. Turnbull, Anderson and Andrews were effective for the losers. The half time score was 2 to 1 for the Vics and they clinched the play early in the second period by netting the fourth three times.

The line-up:
Victorias: Goal Winnipeg
H. Baker goal Windsor
H. Baker point Turnbull
Caldwell cover Anderson
H. Baker cover Anderson
Caldwell centre Munro
Hawthorn left wing Morton
H. Baker right wing Verne

SPORTOGRAPHY

Lord St. Ledger, Polo Enthusiast, 45 Today
Baron Ashby St. Ledger, the famous English sportsman, who has headed the polo team for many years, will be the recovery of the polo cup as its object will be forty-one years old tomorrow. He has been a polo enthusiast for over a score of years, and the recent defeat of the English team by the Americans was a bitter pill for him to swallow. Lord St. Ledger is a soldier, and wears the queen's medal for his services in South Africa. He is not a busy engaged perfecting plans for the future, but he played a polo game at Meadow Brook next June.

Lord St. Ledger's selection for the 1914 team includes Capt. Riton, Capt. Leckie, Capt. R. Palmer and Capt. F. W. Barrett. The latter was the big sensation of the 1913 polo season in England, and made a record unsurpassed by any other stick wielder of Europe. He was on the winning side in the contest for the king's polo cup and was the only player to have his name and played the cracks of England and Lord St. Ledger expects a lot from him when he comes over next June. Capt. Barrett has been in the game several years, but is still considered a substitute on the 1914 team.

"The cup must come back," has been the battle cry of British poloists ever since Lord St. Ledger issued his challenge. The first aim, of course, is to secure the best possible ponies for his men. Last year many experts asserted that ponies brought over were not hardy enough to stand up under the grueling pace of such a contest, and their owners evidently agreed with this statement, for most of them sold their ponies on this side. Lord St. Ledger has entrusted the job of selecting suitable ponies to W. Balding, who has been breeding and handling polo ponies for many years. It is understood that Lord St. Ledger now has options on nearly a hundred ponies. Lord St. Ledger has chosen Spain as the scene of the preliminary practice for ponies and men, in order to avoid bad weather. Stiff practice is scheduled to begin next week. The royal polo grounds near Madrid will be turned over to the Englishmen by King Alfonso, who is very fond of polo. There is only one fly in the English polo ointment just now, and that is that Capt. Riton, who captained the last international team, may be unable to come to this year. His team made a great record last year. In view of the fact that he was selected to lead the team at the last minute, following the injury to Buckmaster.

Mr. Sherwood Wheaton of San Diego, Cal., has run the Franklin Ltd. Six touring car \$300 miles at an average cost of less than 2 1-2 cents per mile. His total expenses for machine, oil and repairs were \$150.62, which includes a canvas cover, \$7.00, and wiring for an electric horn, \$4.85.

WHISMAN TALKS OF DEETON'S TROUBLE CALGARY MONDAY

Says Deeton is Good Referee But Incapable as Judge of Play.

'WHIS' MAY MANAGE COAST BALL CLUB THIS SEASON

Redmond Out of Job Since Appointment of Nurdyke—Many Changes Edmonton Team

When the dominions and Chicago's play in Calgary Monday night some dissatisfaction was shown regarding the work of Harold Deeton, in the capacity of judge of play. Ray Whisman, the Edmonton baseball player, rugged coach and general all-around athlete and sportsman, journeyed to Calgary to witness the game, but did not return north with the team, as he is planning a trip to the coast with a view to taking on as manager with one of the clubs in the new Puget Sound baseball league.

"Whis" talked over the game in Calgary, and remarked that the big trouble over Deeton arose from the fact that the Edmonton team is really a referee, and not a judge of play.

"I don't pose as a hockey expert," said "Whis," "but I know enough of the game to realize that when a man acts as referee for a few years and fills that position only, he is going to have trouble when he starts to act as a judge of play. Deeton should either have been brought down here as referee, or not brought at all. It was a mistake to use him as a judge of play."

"Deeton is as fair a man as you'll find anywhere, but I was watching him Monday night, and his chief attention was given to the puck, apparently, watching for off-sides and forgetting that he was not the referee. As a result, he may not have been as good a judge of play as he was a referee."

"When they pick a judge of play for future games, they should get a man who is experienced in that position. Put Deeton on as referee, and you'll have no trouble of any kind with him."

"Whis" stated that he is trying to get his release from the Edmonton baseball club, and hopes to catch on either in the Union Association or the Puget Sound League. He also gave out the information that Redmond will not be back with Edmonton this year.

"Singing Lou Nurdyke just fled out of his chair," explained Whisman, "and he is likely to grab the management of the Edmonton team if the new league proposed by Puget Sound goes through."

"I don't know Nurdyke's plans, but there will be a lot of changes in the Edmonton team for the coming season."

TODAY IN PUGLISTIC ANNALS

1914—Frankie Burns, the California lightweight, was born at Fresno. His father owned a small ranch near Fresno, but at 15 the family removed to Oakland, and Frankie attended the Oakland high school and also worked as a railway billing clerk. His first bout was in 1910, at an amateur boxing contest in Oakland, when Fresno volunteered as a substitute. His first professional bout was with Young Casey, but Burns got \$25 as the victor's share. In his early engagements he was coached by Young Casey, Jimmy Hogan and one-round Hogan, but in 1911 he defeated Hogan, winning on a foul in the fourth round at San Francisco. Early in his career he defeated Willie Ritchie in 6 rounds at Oakland. He fought a 10-round draw with Owen Moran in 1910, and a 20-round draw with Matty Baldwin in 1911, but was defeated by Woodson in 1911. 1914—Hattling Nelson knocked out Art Stimas in 3rd round at Milwaukee.

LOU NORDYKE

Nurdyke has been appointed manager of the Edmonton baseball team, season, 1914. He comes to Edmonton with a splendid record.

N. R. A. THINKS THAT COMPROMISE FAVORABLE TO CANADIANS LIKELY

London, Jan. 16.—The National Rifle association is not willing to make any statement concerning the possibility of no Canadian team appearing at Hildesley this year, if the war office target rule is adopted and the aperture sight barred. The whole question will receive the attention of a meeting of the association to be held in a few weeks. It is stated unofficially that the association officials regard it as likely that a compromise satisfactory to all parties will be reached.

More than once, previously of course, has there been talk of the Canadians forsaking Hildesley but matters have ultimately smoothed themselves over. The National Rifle association so far have heard nothing from Canada regarding the present difficulty.

ESKIMOS WIN TWO OF THREE GAMES WITH WANDERERS

The Eskimos took two of the three games from the Wanderers last night at the Olympic Bowling alleys. Grandage was high man in the first game with 140. Ross high man in the second with 291, and King high man in the third game with 221. Doolingham pulled the highest individual aggregate for three games with 549. Miller was close with 543.

WPG. CURLERS SHOW WELL AT LINDSAY BONSPIEL GAMES

Lindsay, Ont., Jan. 16.—There is no lack of interest in the local bonspiel games as they proceed at the rink here. Hundreds are watching the games night and day.

Slip, Braden, of Winnipeg, really got into action yesterday afternoon, when he played Wilders, of Lindsay, and showed some of the fine points of curling. It took three successive losses in the first three ends of the game before he began to score, but when he did the Lindsay rink scored no more to the end of the game. By ones, twos, and even a five end, he finally accomplished a score of 45 to Lindsay's 5.

Jim Flynn Wan.

New York, Jan. 16.—Jim Flynn, the Pueblo fireman, knocked out Jack Driscoll, the Brooklyn heavyweight, in the sixth round of what was to have been a ten-round bout last night. Flynn weighed 158 pounds and Driscoll 175.

WE'VE OUTPOINTED MICKEY SHERIDAN IN 10-ROUND BOUT
Kansas City, Jan. 16.—Freddie Eubank, light-heavyweight, out-pointed Mickey Sheridan, of Chicago, here last night. Sheridan seemed bewildered by Eubank's cleverness. The only effective blow landed during the 10 rounds came in the fifth, when Eubank rocked the Chicago man with rights and lefts to the head.

Starting in Winter
Starting in cold weather can often be facilitated by cranking the motor over several times without turning on the ignition switch, but with the throat mixture into the cylinders and intake pipe, and sometimes the motor will start on the spark after such cranking. If not, it should start promptly on being turned over. If after this treatment the motor fires a few times and then dies, look for a stoppage in the fuel pipe. Sometimes such a stoppage allowing a slow flow of gasoline, will cause the motor to starve at high speeds, or to run irregularly as the power demand varies. Weak batteries or a faulty coil will also cause irregular running, and difficult starting as well.

WINNIPEG VICS SQUEEZE VICTORY FROM WINNIPEGS

Winnipeg, Jan. 16.—Turning up five new men from last year's Allen cup winners, the Winnipeg Vics squeezed a victory from the Winnipeg Hawks in a senior hockey fixture here last night. The Vics managed to squeeze out a victory by the score of 3 to 2. Clearly, some sensational work by Earl Baker in goal stopped the Winnipegers from getting the long end of the score as they outplayed their evenly opponents nearly all the way but wild shooting and some startling defence work prevented the Vics from putting over a big surplus. The Vics won through their superiority in scoring goals, they missing few opportunities to notch a counter. Ralph Baker at point, "Guinea" Bawit at left and Caldwell at centre were the pick of the winners. Turner, Anderson and Andrews were effective for the Hawks. The half time score was 2 to 1 for the Vics and they clinched the play early in the second period by netting the fourth three times.

The line-up:
Winnipeg Vics: Position: Goal—Winkler. H. Baker, point—Guinea. Bawit, left—Caldwell, centre—Turner. H. Baker, right wing—Verre.
Winnipeg Hawks: Position: Goal—Caldwell. H. Baker, point—Guinea. Bawit, left—Caldwell, centre—Turner. H. Baker, right wing—Verre.

SPORTOGRAPHY

Lord St. Legers, Polo
Enthusiast, 41 Today, the famous English sportsman, who has headed the movement for making another attack with the recovery of the polo cup as its object, he will be forty-one years old tomorrow. He has been a polo enthusiast for over a score of years, and the recent defeat of the British team by the Americans was a bitter pill for him to swallow. Lord St. Legers is a soldier, and wears the queen's medal for his services in South Africa. He is now busily engaged perfecting plans for an international match to be played at Meadow Brook next June.

WHISMAN TALKS OF DEETON'S TROUBLE CALGARY MONDAY

Says Deeton is Good Referee But Incapable as Judge of Play.

'WHIS' MAY MANAGE COAST BALL CLUB THIS SEASON

Redmond Out of Job Since Appointment of Nordyke—Many Changes Edmonton Team

When the Edmonton and Chicago played in Calgary Monday night some dissatisfaction was expressed by the local fans. Harold Deeton, in the capacity of judge of play, was the cause of much trouble. The fans were not satisfied with his judgment. The fans were not satisfied with his judgment. The fans were not satisfied with his judgment.

"Whis" talked over the game in Calgary, and remarked that the line trouble was the cause of the game. The fans were not satisfied with his judgment. The fans were not satisfied with his judgment. The fans were not satisfied with his judgment.

TODAY IN PUGILISTIC ANNALS

1921—Frankie Burns, the California lightweight, was born at Fresno. His father owned a ranch near Fresno, and Frankie attended the Oakland high school and also worked as a railway brakeman. His first bout was in 1919, at an amateur boxing contest in Oakland, when he defeated a local contender. His first professional bout was with Young Campbell, and Burns lost 125 to the victor's share. In his early engagements he was bested by Tommy McCarthy, Jimmy Hogan, and in 1921 he was defeated by a local contender. Burns is now a professional boxer, and is expected to fight in the near future.

LOU NORDYKE

Nordyke has been appointed manager of the Edmonton baseball team, season, 1921. He comes to Edmonton with a splendid record.

N.R.A. THINKS THAT COMPROMISE FAVORABLE TO CANADIANS LIKELY

London, Jan. 16.—The National Rifle Association is not willing to make any statement concerning the possibility of a Canadian team appearing at Bielefeld this year, if the war office target rule is adopted and the aperture sight ban is lifted. The whole question will receive the attention of a meeting of the association to be held in a few weeks.

WPG. CURLERS SHOW WELL AT LINDSAY BONSPIEL GAMES

Lindsay, Ont., Jan. 16.—There is no lack of interest in the local bonspiel games as they proved at the rink here. Hundreds are watching the games night and day.

Slip, blades, of Winnipeg, really got into action yesterday afternoon, when he played Wildes, of Lindsay, and showed some of the fine points of curling. It took three successive losses in the first three end of the game before he began to score, but when he did the of the game. By ones, twos, and even a five-end, he finally accomplished a score of 16 to Lindsay's 5.

THE GENEROUS, open-handed character of Saturday's store news cannot be emphasized too strongly, for it's of interest to every household or individual in Edmonton. Every section of the store offers over-flowing value; such savings have seldom been rounded up for a Saturday's business. And, of course, the worthiness of every article bought here at these greatly reduced prices is assured—just as though full price had been paid. That's always a satisfactory assurance in shopping at Johnstone Walker's. A few of many of the day's offerings are as follows:
